

Vegan D3+K2

Premier Bone and Heart Support*

Dietary Supplement

Vitamins D3 and K2 are essential fat-soluble nutrients that work in tandem to support calcium metabolism, bone strength, and vascular health.* While vitamin D3 helps the body absorb calcium from the diet, vitamin K2 plays a key role in directing that calcium into bone tissue and away from soft tissues, where it can accumulate undesirably.* Together, these vitamins help maintain strong bones and support smooth blood flow and healthy arterial elasticity.*

Vitamin D deficiency remains widespread due to limited sun exposure, geographic factors, and lifestyle habits. Inadequate levels of D3 can affect calcium absorption, long-term bone density, immune activity, and inflammatory balance.* Supplementing with vitamin D3, especially when combined with K2, can help support strong bones, efficient calcium use, and overall cardiovascular function.*

Premier Vegan D3+K2 delivers 5,000 IU of vitamin D3 and 180 mcg of vitamin K2 (as MK-7) per capsule. The vitamin K2 in this formula is in the form of menaquinone-7 (MK-7), the most bioavailable form of K2, naturally derived from fermented soybeans (natto).* This clean, plant-based formula comes in powder-filled capsules made without additives, fillers, or common allergens. Every batch is carefully tested for purity and quality, making it a reliable choice for anyone looking for effective, plant-based support for bone and heart health.*

Benefits

- Promotes calcium and phosphorus absorption to support bone strength and formation*
- Helps regulate calcium metabolism and supports proper blood clotting*
- Supports vascular elasticity and healthy arterial blood flow*
- Contributes to immune system modulation and overall immune health*

Highlights

- **Clinically Relevant Dose:** 5,000 international units of vitamin D3 and 180 micrograms of vitamin K2 (as MK-7)
- **100% Plant-Based Formulation:** Suitable for vegans and vegetarians
- **Purity and Quality Verified:** Tested for heavy metals, identity, potency, and microbiological integrity
- **Clean Label Formula:** Free from non-nutritive ingredients, additives, excipients, and common allergens like gluten and soy.

Recommended Use

- Take 1 capsule daily or as directed by a health professional.

One Plant-Source Capsule Provides:

Vitamin D3 (as Cholecalciferol)	125 mcg (5,000 IU)
Vitamin K2 (as Menaquinone)	180 mcg

Other Ingredients: Organic Rice Bran, Plant-Source Capsule (Cellulose, Water), Organic Rice Concentrate (Oryza Sativa), Organic MCT Oil Extract (Coconut)

Suggested Use: Take 1 capsule daily or as directed by a health professional.
Order Code: 1210 (60 Capsules/Bottle); Violite® Container
